

Mark Miller

Vice President

Mark Miller
Vice President

20 years of industry experience

9 years tenure with Hillwood

Miller serves as Vice President of Hillwood Properties and is responsible for retail development at AllianceTexas and surrounding areas, including these distinguished projects: Alliance Town Center, Lone Star Crossing, Westlake Corners, Frisco Station, and Union Park. AllianceTexas encompasses over 43 million square feet, more than 470 corporate residents, and over 47,500 employees.

Prior to joining Hillwood, Miller served as senior manager of investments for Regency Centers where he was responsible for negotiating a \$100 million lifestyle center in Highland Village. He was responsible for more than \$20 million annually of new retail developments throughout the Central United States. Miller also was instrumental in preparing site selection packages and developing tools to predict the sales, size and

timing of shopping center developments. Miller began his tenure with Regency Centers in 1998 as a senior research analyst transitioning to the real estate investment side of the business in 2000.

Miller began as a research analyst with the North Central Texas Council of Governments where he provided demographic assistance to many North Texas entities. Miller also served as a research analyst for the Tangram Corporation developing analysis, mapping and database management for national retail and restaurant chains.
