*The standard review timeline is 20 calendar days for each review phase. Some instances may require an additional ten (10) days; however, we will let you know in advance. Please don't hesitate to contact Stephanie Wright at 817-224-6070 or DRB@AllianceTexas.com for assistance.

To submit the completed form to DRB@AllianceTexas.com, please click **HERE**.

Alliance Gateway Phase I Association
Development Review Board (DRB) Submittal Process

DRB review is intended to insure full compliance with all design aspects of the Alliance Gateway Phase I Association per the Declaration of covenants, Conditions, Restrictions and Easements (CCR's) as adopted July 14, 1992. (Note: No construction shall begin prior to DRB approval of the Final construction Package. Additionally, any future construction, improvements or additions will require full DRB approval prior to implementation.)

- At each DRB review phase a complete copy of your submittal shall be sent to:

Alliance Gateway Phase I Association
Attn: DRB
9800 Hillwood Parkway, Suite 300
Fort Worth, TX 76177

- DRB submittals consist of the following phases:

Conceptual Plan Phase

When to Submit	-	As early as possible in the design phase
