ALLIANCETEXAS MOBILITY INNOVATION ZONE

AllianceTexas is home to the Mobility Innovation Zone (MIZ), a unique landscape built on collaboration and opportunity. That combination works to connect people, places and ideas that push innovation in surface and air mobility forward. By leveraging its one-of-a-kind infrastructure, the MIZ offers mobility visionaries full access to an unparalleled testing ecosystem, resources and partnerships essential to comprehensively test, scale, and commercialize your technologies.

Two initial areas of focus: a holistic UAS Proving Grounds for aerial technologies and a set of Autonomous Trucking use cases expanding from short to long-haul.

ALLIANCE TEXAS: FACT SHEET

SERVICE OPERATIONS

- Fort Worth Alliance Airport (AFW): The world's first industrial airport designed for cargo and corporate aviation. Flight services include air cargo, executive travel and government support services with turn-key solutions to all aviation needs. Two 11,000 foot runways allow aircraft to travel non-stop from Alliance to as far away as Europe fully loaded with fuel and cargo.
- Alliance Landscape Company: Comprehensive ground maintenance that enhances the beauty and value of the AllianceTexas development by increasing the curb appeal and aesthetic environment for the common areas and companies located within the project.
- Hillwood Land & Cattle: Active land management and agricultural program that includes one of the largest cattle operations in Tarrant County. The goals include preserving the agricultural history as well as being good stewards of the land.
